

Dear Friends of Radiant Futures,

On April 29th, 2023, Radiant Futures (formerly WTLC) is hosting its 6th Annual Ball, Live Jazz Night at the Pacific Club. This event brings together 200 people dedicated to end domestic violence and human trafficking through an evening of dinner, dancing, and lively auctions.

We invite you to join us in raising over **\$100,000** to build a safer community.

Founded in 1976, Radiant Futures is the oldest domestic violence shelter in Orange County and the third oldest in the nation. Radiant Futures builds a safer community by providing crisis support, services for all survivors, and education to prevent domestic violence and trafficking.

Our programs serve over **1,600** and provide prevention education to over **2,000** people annually. Our short and long-term housing programs, counseling and holistic offerings, and legal services are open to all survivors.

Each year, requests for these services increase, and our efforts to end violence and trafficking can't take effect unless we have the support of the whole community. You have the power to prevent violence and promote healing.

*Will you help us reach our goal and give survivors and their families a future that fulfills their dreams?*

Enclosed you will find information on this event and sponsorship opportunities. A team member will be following up with you within the week to answer any questions.

Sincerely,
